EYPP and Pupil Premium Funding Plan

2019 - 2020

Newhall Primary Academy and Nursery EYPP and Pupil Premium Funding

From April 2015, settings in England have access to the Early Years Pupil Premium (EYPP) to support disadvantaged 3- and 4-year-olds. Although the government is not specifying how this should be used, settings will need to be able to demonstrate to Ofsted that they are using it to help close the gap between the attainment of the most disadvantaged children and their peers.

The Pupil Premium is funding paid to the academy by means of a specific grant based on school census figures for pupils registered as currently eligible for free school meals (FSM) or those who have received free school meals in the past (Ever 6 or Pupil Premium). For Looked After Pupils the pupil premium was calculated using the Pupils Looked After data returns (SSDA903). From April 2014 pupils who are adopted, and those under special guardianship or residential care orders will also be eligible for the premium. A premium for pupils whose parents are currently serving in the armed forces has also been introduced.

The Pupil Premium is additional to main school funding and will be used by Newhall Primary Academy and Nursery to address any underlying inequalities and 'narrow the gap' in attainment, emotional and social wellbeing identified for eligible pupils. The funding is used strategically according to need and not 'per head' (Jill Jones HMI, 2013).

Objectives for EYPP and Pupil Premium at Newhall Primary Academy and Nursery

- The EYPP and Pupil Premium will be used to provide additional educational support to improve the progress and raise the standard of achievement for identified pupils.
- The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- As far as is possible, the nursery and school will use the additional funding to address any underlying inequalities between pupils eligible for Pupil Premium and others.
- The nursery and school will ensure the funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

Accountability

The Head Teacher, Nursery Manager and Senior Leadership Team will regularly monitor, evaluate and review the strategies and interventions put in place for Pupil Premium and report to the Governing Body on its progress and impact.

Rationale behind 2019/2020 Planned Expenditure (To be planned following Baseline Assessments)

- Baseline showed that 100% Pupil Premium children entered school below the expectation for their age, especially in reading, writing, speaking and listening and number.
- Although there are a small number of Pupil Premium children at Newhall, it is essential that they are able to access the before and after school care and other enrichment activities offered.
