

Our Week In Reception

Friday 6th March 2020

NEWHALL

What have we been learning?

This week we have been reading *The Magic Paintbrush*. We thought long and hard about what we would paint if you could paint anything that would come to life. The children had some wonderful ideas from dinosaurs to a school so that everyone would have a home.

Next week we will be reading another Julia Donaldson book called *The Everywhere Bear*. It is a story about a bear like Chase that goes home with children but gets lost. This will be uploaded to Tapestry later today so you can listen it to over the weekend.

In maths we have been ordering numbers. Have a look online at caterpillar count. The children have had a lot of fun this week racing to catch all the segments.

This week we looked at Claude Monet and his famous water colour paintings. We made our own versions of his famous 'Water lily bridge.' They look incredible and will be posted to tapestry as soon as we can.

We had an amazing day dressed as wild things for our World Book day celebrations. We took part in a drama workshop, learned about floating and sinking and made our own wild things masks.

Mrs O'Neill and Miss Gooch

Home learning task.

Please can each child bring a small / medium sized teddy bear to school on Monday. We would like to have it at school for the week so not a bedtime teddy. We have lots of activities planned for them.

Our wow words this week are **worried** and **anxious**.

Just a few reminders...

- Please continue to read every night. We can see so much progress in the children's reading and their confidence.
