What have we been learning?

- In maths we have been looking at multiplication and division. We have learnt lots of new vocabulary including; groups, equal, array, row, column, sharing and lots more! The children have used objects and drawing to help them. We're amazed at how the children have got on!
- In English we have been looking at the story 'Room on the Broom' and thinking about the characters' feelings. We discussed what 'first person' meant and wrote an account of the witch's day in the first person. We also had a debate as to what decision to make when the dog asked, "Is there room on the broom for a dog like me?" We have also spent some time looking at the poem, 'Calico Pie' by Edward Lear. We have loved illustrating the poem and even creating our own poems! The nonsense words in it have really made us laugh!
- Over the last few weeks, we have started our topic 'Enchanted Woodlands'. We have made 'lift-the-flap' fairy doors which looked amazing! We have thought about our own woodlands and our Earth and how we should look after it.
- In PSHE this week we have been thinking about some of the changes that have happened to us over the last few years. We have also looked at changes that happen as we get older too. This includes looking at all the wonderful things we have learnt and achieved in the past few years!

Homework:

- If you are learning from home, please continue to access and enjoy the home learning we are providing.
- Everyone should still be reading their RWI books daily.

Just a few reminders...

- We are experiencing beautiful weather at the moment and we are so grateful for it! Please remember to provide your child with a hat, sunglasses and water bottle. Please put sun cream on them at the start of the day.
- Please be assured that anything that comes home from school (work, drawings, colouring) has been left in a box (untouched) for 72+ hours.
- At drop-off and pick-up time, there is a box at the gate for your to return any library or book bag books you may have at home!
