

Our Week In Reception

Friday 18th September 2020

N E W H A L L

Welcome to Newhall

This week we have been sharing photos of our families and discussing who is in our family. We drew portraits of our families and really enjoyed learning more about our new friends. We read 'The Invisible String' and talked about how we are always connected to our families by an 'Invisible String' of love.

The children had their first PE session on Thursday with Mr Morris. We were really impressed with how they got changed independently. We will send home their PE kits every half term to be washed.

We visited the library for the first time this week and the children showed us their amazing listening skills. We all remembered to use our whispering voices and read a story together. From next week your child will be able to bring home one book every week to share with you. We visit the library every Thursday so please ensure these are in their bookbags so they can get a new one each week.

We are starting phonics next week and you will receive a powerpoint video about how we teach this and how you can support at home.

Have a great weekend—The Reception Team

Home learning task.

We will be talking about our aspirations and what the children want to be when they grow up. Please write/draw what your family do as jobs. Where do you go to work and what do you do?

Just a few reminders...

- Please remember to send in a named water bottle daily. This needs to be water only. Any juice will be replaced with water.
- We will be sending homework home next week for your children to complete with your help. In order to make this possible, please only allow you and your child to touch the book and place the book back into their bookbag as soon as it is completed.

Please remember social distancing during drop off and collection.
