**Message from the Senior Leadership Team:**

Another week has flown by and we can't quite believe where the time is going! Thank you for all the donations you have brought in for Harlow Foodbank, these will be very much appreciated and we will get these sent off to them ASAP.

Next week we will be participating in 'Walk to School Week'. Our week long challenge will celebrate the positive impact walking can have on everyone's health and wellbeing. It will also help to alleviate the parking issues outside our school! If you live too far to walk all the way, you could find somewhere suitable to park at least 10 minutes walk from school and complete the remainder of your journey on foot. Pupils will work collectively to make the greatest number of active journeys as possible across the week, recording each day's total in class and learning about the benefits for body and mind at the same time.

In addition to this, we are also engaging with 3PR. The 3PR School Parking Initiative aims to prevent inconsiderate, illegal and dangerous parking around schools. 3PR is on a mission to make parking safer and less stressful for children, parents, teachers and residents and to help everyone follow 3 parking rules: care, consideration and caution! More information to follow soon...!

Please could we kindly remind parents that only **one** person is able to drop off or collect children from school to help avoid congestion at the gates and continue to help us all maintain a safe social distance from one another.
