Message from SLT

I think we can all agree that, following on from the Prime Minister's announcement on Monday, things are certainly starting to feel a bit more positive and hopeful! We are thoroughly looking forward to welcoming all of our children back to school on Monday 8th March. Please look out for a separate letter next week which will outline the reopening process. Within the letter you will find details of your child's bubble start and end time.

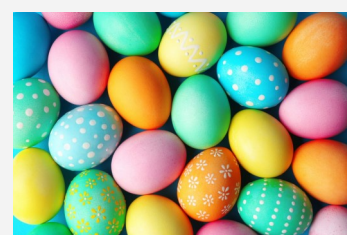

We are very aware of that fact that some children will find it difficult to come back into school after this extended period away. We are making sure that we include lots of mindfulness lessons and opportunities to talk about how everyone is feeling. It is so important that we all realise that the children may take a little while to readjust to the school day. Rest assured, our staff are ready and able to support your child in whatever way possible.

Now that we know when the children are returning it means that we can begin planning for some exciting events! The first of which will be World Book Day. So that all of our children can enjoy World Book Day together, we are going to celebrate it on Friday 26th March which is also the last day of the Spring Term. You will find details about World Book Day in the attached leaflet. Don't worry, you will receive your book token on Monday 8th March so you will not miss out on the opportunity to get your World Book Day book from a participating store.

The last day of the Spring Term (Friday 26th March), school will close at 1.30pm. After-school club will remain open for normal hours. The children will return to school after the Easter break on Monday 12th April.
