**Message from SLT**

What a wonderful first week back we have had! It has been so lovely to see the children back in school, having fun with their friends and excited to see all their teachers. As always we are so proud of all of our children and they have shown just how strong they all are with the way that they have come back in to school this week.

I had an opportunity to watch one of our year one classes participate in a 'mindfulness' lesson this week focussed around resilience. It was so uplifting to hear the children sharing all the things that they are brilliant at and things that they find tricky now but, with some work, would love to get better at.

Today we have taken part in 'Science Day' and the children have had great fun doing experiments and being 'innovators', coming up with amazing inventions for the future. All the classrooms have been buzzing with activity and some of the inventions I have been shown are outstanding!

World Book Day vouchers will be coming home today, you can exchange these vouchers for a book at participating stores. There are lots of exciting titles available this year and I'm sure the children will love the books they get! We will be celebrating World Book Day on Friday 26th March. The children can come to school dressed as a hero that day.

We hope you have a wonderful weekend!

**Diary Dates**

Friday 19th March	Red Nose Day
Friday 26th March	World Book Day
Friday 26th March	Last day of Spring Term, 1.30pm close
Tuesday 6th—Friday 9th April	Easter Holiday Club
