What a wonderful way to finish the spring term! World Book Day was a huge success and the children had so much fun! Thank you to all the parents for providing the children with their superhero outfits. It was so heart-warming to see a good mixture of superheroes and everyday heroes, heroes that we could not have done without this past year. There were many lovely photos to choose from so we have compiled some of our favourites on the second page of today's newsletter.

Another big thank you must be said for all the donations you made for Red Nose Day. We raised a total of £273 which is amazing!

We sent an end of spring survey out yesterday. Thank you to those of you who have already responded. We always appreciate positive comments as well as constructive feedback so please do use the link which has been emailed to you if you wish to contribute your thoughts.

After Easter the menu will be changing to a summer menu. Please find an overview below, there is also a link which will take you to the full menu and list of allergens.

**We hope that you all have a very happy Easter and a lovely break.**
