

Our Week In Year Two

Friday 26th March 2021

Another half term comes to a close... We have been amazed at how well the children have settled back into school routines and we have loved watching them learn and grow back in school.

English: Next half term we will be continuing to base our English lessons around a key text.

Thank you to everyone who has supported their children with both reading at home and completing the weekly quizzes, these are an excellent way for us to ensure that the children are reading regularly and ensuring that the children's reading levels are assessed regularly.

Maths: Over the Easter Holidays please take some time to practise telling the time and counting out money and finding change with your children. Use every day opportunities for this for example when you go to the shop.

Topic: Next half term we are going to be learning all about The Great Fire of London, this topic promises to be very exciting for the children.

Science: In Science, we will be continuing to learn about life cycles and the children will enjoy some hands on experiences of growing things themselves in class.

We would like to wish you all a lovely Easter Holiday :)

Home learning task

All children have been issued a library book and an Accelerated Reader book, known to the children as their 'special book' please try to allow time for the children to complete the online quiz once they have finished reading these books. These will need to be returned every Monday so that they can be swapped. Please ensure that reading books come into school with your child every day so that the children can read to an adult in school on a weekly basis.

Elm Class library slot: Mondays **Hazel Class library slot:** Mondays

Maths Home Learning will be via Mathseed.

Please continue to encourage your child to practice their cursive handwriting, times tables and number bonds to 10 and 20 .

Just a few reminders...

- After school club letters should be dropped in the office
- Please make sure children's long hair is tied back and ensure no nail varnish is worn to school.
- Children are encouraged to bring in named bottles containing water. Juice is not permitted.
- A range of fruit is provided for snack each day, children are asked not to bring in additional snacks from home.
- Please ensure that your child has their PE kit in school, these will stay in school and go home to be washed over the Easter Holiday.

Year Two have PE on a Wednesday and Friday.
