

Our Week In Year One

Friday 12th March 2021

This week:

- Welcome back to school! The children have had a great first week back and have enjoyed seeing their friends again. They have settled in well.
- We have been recapping place value in maths and have been completing some spring baseline assessments for maths and phonics to get an idea of what the children need support with.
- In DT we learnt about what a healthy balanced diet looks like in an 'eat well' plate.
- In history we both recapped and continued learning for our 'Nurturing Nurses' topic and compared nurses Mary Seacole and Florence Nightingale.
- SCIENCE DAY! The children had great fun looking at Charles Darwin and exploring plants, as well as plant based inventions and designed their own treehouses. The children experimented with what happens to flowers when placed in food colouring!

Home Learning

- The children haven't had phonics homework this week due to assessments taking place in school.
- Mathseed lesson 72– doubles.
- Next week the children will bring home a list of key sounds that they need to practise at home.
- Daily reading

Just a few reminders...

- Children brought home a library book this week and will receive their book bag book next week once their new phonics groups have been allocated. Library days for both Year One classes will be on **Fridays**. You may receive a letter regarding any outstanding books.
- **RED NOSE DAY– Friday 19th March**
- **World Book day Friday 26th March** (Newhall superhero themed book day!) - children are invited to dress up if they want to.
- **Last day of term will be Friday 26th March.**
- We have been lucky enough to welcome a new trainee teacher Miss Cano to Beech class.

Thank you—Year One team
