**Message from the Headteacher:**

I enjoyed looking at the children's books on Monday night in our Senior Leadership Team meeting. It is great to see the progress the children are making. We were all really impressed with the Reception children's writing books. I also enjoyed reading Year One children's versions of 'Little Red Riding Hood'. As you know, the weather on Tuesday was miserable and the children had to come inside at lunchtime because of the rain. It was lovely to spend some time with Year One children. They helped me read a story and showed a good understanding of herbivores, carnivores and omnivores.

Please can I remind everyone that the road area in front of the Nursery needs to be kept clear at all times as it is an emergency vehicle access point.

You should also have received an email this week regarding attendance. Please can I reiterate the importance of good attendance and the fact that holidays should not be taken in term time. Thank you for your support in this matter.

**Upcoming Events:**

**Nursery Update:**

The children in Blossom have really enjoyed lots of messy play this week linking to their new topic-Winter. Please ensure children are not brought in their best clothes, despite wearing aprons, the babies still manage to get very messy! The children in Snowdrop have been learning about safari animals this week, exploring their patterns on their fur and the way they move. Bluebell have thoroughly enjoyed learning about dinosaurs and have been introduced to the meaning of herbivores and carnivores. They have been digging for bones and fossils!

On the 23rd January 10-11am there is a toileting workshop at the Meadow's Children Centre for parents of children aged 18 months and above. It is free to attend and will support parents with toilet training their little ones. For more information, please see the posters in Nursery or speak to the Manager.
