Newhall Bulletin: 14.02.2020

Message from the Headteacher:

I can not believe it is already February half term - 2020 seems to be whizzing by already! Jenny Redgrove, our Deputy Director of Education, visited us on Monday and she was very impressed with how well the children listened to her story in our assembly. The children also sang and signed 'True Colours', which is the song we have been learning this half term. We spent some time in classes and the children were able to talk to her confidently about their learning.

Thank you to everyone who attended Parents Evening this week and to those of you who took the time to complete our Parent Questionnaire. I will be analysing these over half term and share the results with you soon. It is really helpful for our ongoing improvement and development to get your views and suggestions.

Over the next few weeks we will be recruiting staff for next year and be planning the curriculum and resources for the next stage of our growth. Thank you for your ongoing support and I hope you all have a lovely half term. I look forward to seeing some of the children at our Half Term Holiday Club next week!

Nursery Update:

This week the children have loved participating in lots of activities relating to our topic- claws and teeth. The children in Bluebell had a visit from the dentist who taught them all about how to keep their teeth healthy and clean. Snowdrop have been looking at the difference between human teeth and dinosaur teeth. Blossom have enjoyed listening to lots of stories and playing with the puppets.

Please can I remind the parents of term-time children that it is half term next week 17th-21st February. We look forward to seeing you all on Monday 24th!
