**Message from the Senior Leadership Team:**

Another week has whizzed by and the school has been buzzing with learning. The children in Reception have been looking at the story 'The Colour Monster' which is about a monster whose feelings and emotions are all jumbled up. With a little bit of help he manages to sort his emotions into jars and talks about what each emotions feels like. The children have then done some beautiful drawings of the colour monster. In Year One the children have told me all about their work they have been doing in science and I have seen some fantastic labelling of animal's body parts going on. Year Two have begun their topic on Rosa Parks, it was a pleasure to be involved in one of these lessons and to witness the maturity the children showed whilst discussing this topic.

We also have some lovely news, 'Kittle Photography' will be visiting us next **Tuesday 22<sup>nd</sup> September** at school. They will be taking individual school and class photos of your children. The photos will take place in the Art Studio, and the class teacher will be with the children at all times. Please be rest assured that procedures and risk assessments have been put in place to ensure safe working practices due to COVID-19. Once the photos are complete, children will bring home a unique photo ticket that allows you to view and order any photos that you wish to purchase online. These will then be delivered to school for distribution in a few weeks' time. If you are happy for your child to have their photo taken you do not need to do anything. However, if you do not want your child to have their photo taken, could you please let your class teacher know.

We hope that you have a wonderful weekend and enjoy the lovely weather!
