**Message from the Senior Leadership Team:**

We've had a fantastic first week back and it has been so lovely to see the children coming into school with lots of energy and enthusiasm this week!

On Monday we introduced the idea of the 'School Council' to the children and explained what that meant. Lots of children were very keen to be a school councillor and had some fantastic ideas about what they would like to introduce if they were successful. We discussed our British value 'democracy' and explained that a vote would take place after the candidates had told their class why they thought they should be school councillor. I'd like to congratulate every child who was brave enough to stand up in front of their class and speak, it's not an easy thing to do. By Monday we will know who all of our new school councillors are and I cannot wait to get started with school council meetings and hear about their wonderful ideas!

On Friday 13th November we will be raising money for Children in Need. To make this a fun and successful day we would like the children to participate in a 'Slumber Party' themed day. The children can wear pyjamas (suitable for the weather) or other Children in Need attire/merchandise to school and we will participate in lots of fun activities throughout the day. We would kindly ask for a gold coin donation for this day. Please make sure your child still comes to school in suitable shoes and a coat. To fully embrace the theme of the day, we would ask that princess dresses/superhero costumes are left at home this time. There will be more information on your child's year group newsletter about the activities your child may participate in on the day. We're really looking forward to putting on a fantastic day for our children.

**Next week's menu:**

Please note, there is a new winter menu so please do have a look at the new options.

This QR code can be read by any barcode scanner app on your smart phone to access the allergen and nutritional data.
