

**Newhall Bulletin: 27.11.2020**

**Message from the Senior Leadership Team:**

Just like that we've reached the end of November and find ourselves heading swiftly into the festive period. This year has been difficult for many of us and very different for us all. We continue to be so proud of how our children have coped with all the changes we have had to implement which is why we are very excited to be able to offer them a number of activities over the next few weeks. We are hopeful that our planned activities will bring a little bit of magic and excitement to Newhall. Please do have a look at the 'upcoming events' and 'PTA' sections of this letter.

It's wonderful to see so many children continuing to reflect our school values of honesty, aspiration, reflection, respect, responsibility and resilience and at the same time trying their hardest with their learning. Well done to all our stars, writers, mathematicians and readers of the week who would have been recognised with certificates.

**Christmas Cards**

Children may wish to write cards for their friends as they have in previous years. Therefore, we have arranged for each class to have their own post box! Cards can be 'posted' and will be kept for 3 days before sorting and distributing. The last posting day will be Tuesday 15th December.

**Book Fair - Week Commencing 30th November**

We will, once again, be holding our Book Fair week commencing 30th November. Sadly, we are unable to invite you in to browse and choose books in the usual way due to COVID-19 restrictions. Please browse the order form with your children at home and send in the completed form with payment next week. Orders will be fulfilled and sent home at the end of next week. Supporting the Book Fair raises money to purchase free books for our School Library.

**Next week's menu:**

Please note, there is a [new winter menu](#) so please do have a look at the [new options](#).

**Friends of Newhall PTA**

In the absence of our grand Christmas Fayre, we are holding a sponsored walk, run, cycle, scoot to Lapland! We need to collectively cover 1,413 miles to get there.

The children have been given a sponsorship form to record their miles and sponsors and the child in each class that travels the furthest distance will receive a prize!
