

Our Week In Reception

Friday 4th March 2022

N E W H A L L

This week we read a story called "The Little Red Hen" for our topic 'Come Dine with me.' We looked at our topic board to see lots of keywords that could pop up in the story. The hen planted wheat in rows, sowing it into the soil. We discussed how wheat needs water, carbon dioxide, the sun and soil full of nutrients to grow. Reception Class were fascinated to learn how wheat can be grinded down into flour! Afterwards Reception enjoyed trying lots of different types of bread. We had baguette, naan bread, sour dough bread and wraps. Then we had to vote which bread was our favourite and why. Wraps are reception classes favourite type of bread!!

This week we have also learnt all about pancake day. We discussed how people celebrate pancake day all around the world and what different countries and cultures like to do! We now know that pancake day marks the final day before some Christians celebrate lent. Reception had a fun afternoon making their own pancakes then decorating their pancakes with a range of toppings for everyone to choose from. We had chocolate sauce, golden syrup and lemon juice. Everyone made their own choices and tucked in to their pancakes. How yummy!

We have been learning about number bonds to 10 in maths and the children have amazed us with how well they are doing with writing number sentences! We are going to practice more number sentences next week too.

This week the children enjoyed celebrating World Book day—it was great to see all of their amazing costumes! We loved hearing the children talk about their favourite stories.

We would kindly ask for a donation towards cooking ingredients for this half term so we can take the opportunity to make the most of our topic. The children can't wait to get cooking and tasting!

Home learning task.

Can you tell your family about what happened on World Book Day? Then write a sentence in your homework book on what part was your favourite. Don't forget a capital letter, finger spaces and a full stop.
