

# Our Week In Year One

Friday 26th November 2021

## What we have been learning this week...

- In Maths and English this week the children have been completing their termly assessments. Both papers included questions based around what we have learnt previously. They did really well and were rewarded for their efforts on Friday with a fun lesson mixing art and maths together to make their own number lines.
- In Geography we had a "visit" from Robert Fitzroy who is over 200 years old! The children loved quizzing our special guest about his founding of the Met office and his experience on the seas as a captain.
- We got outside for science this week and explored the difference between deciduous trees and evergreen trees. The children loved having a lesson outside and enjoyed spotting the tree types.

## Home Learning

- Daily Reading— please try to read once a day at home.
- Phonics homework—Please complete any tasks that need to be written in your small blue homework books.
- Weekly maths seed lesson
- Termly homework grid

## Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 have changed to Tuesday and Friday.
- The children have enjoyed starting our Carol practise. For the days of the performance if children would like to they can **wear tinsel, head bands or Christmas hats.**
- See attachment for dates to remember

**Have a wonderful weekend.**

Thank you—Miss Cano and Mrs Mouncey-Jaggers
