

# Our Week In Year One

Friday 1st April 2022

**N E W H A L L**

What we have been learning this week...

What a week!

- The children have loved going on an adventure in history this week. We finished up our topic by creating a Crimean war hospital and modern hospital. The children loved the role-play element of this fun dive into Nurturing Nurses.
- Some wonderful leaflets were created in English. The children really enjoyed the hands on approach of having a folding leaflet to write on.
- We've had an amazing term. The children have learnt so much and come so far. WELL DONE YEAR 1!

## Home Learning

- Daily Reading– please try to read once a day at home.
- We have sent home an OPTIONAL activity booklet for the children to complete over the break if they wish to.

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 is on Tuesday and Thursday.

**Have a wonderful break!**

# Nurturing Nurses

Complete the tasks from the grid at home over this half term. Please send in photos to share with the class. Have fun!

Make a list of the differences between modern day nursing and nursing in the past. Is there anything that hasn't changed?

Can you draw a picture of a nurse's uniform? Can you label your drawing?

Go on a plant hunt! How many different types can you find?

Create a healthy plate. What food will you include?

Imagine you are nursing a sick patient. Write a diary entry about your experience.

Order the cups in your house from largest capacity to smallest capacity.
