

Our Week In Year One

Friday 4th March 2022

N E W H A L L

What we have been learning this week...

- In English we wrote letters to the NHS to help Camila with her case of stripes! The children loved voicing their concerns and sending the letters off!
- In maths the children have enjoyed exploring mass and weight with scales. They really enjoyed this “hands on” topic.
- This week in science we took a walk outside to identify different types of leaves.
- WORLD BOOK DAY! As always the children loved this special day. We made our own books, created class pictograms, shared stories with other adults and had a costume parade! Congratulations to our two *best dressed* children who received a small prize for their costumes.

Home Learning

- Daily Reading— please try to read once a day at home.
- Phonics homework—Please complete any tasks that need to be written in your small blue homework books.
- Weekly maths seed lesson
- Termly homework grid.

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 have changed to Tuesday and Thursday.

Have a wonderful weekend.

Thank you—Miss Cano and Mrs Mouncey-Jaggers

WORLD
BOOK
DAY

Nurturing Nurses

Complete the tasks from the grid at home over this half term. Please send in photos to share with the class. Have fun!

Make a list of the differences between modern day nursing and nursing in the past. Is there anything that hasn't changed?

Can you draw a picture of a nurse's uniform? Can you label your drawing?

Go on a plant hunt! How many different types can you find?

Create a healthy plate. What food will you include?

Imagine you are nursing a sick patient. Write a diary entry about your experience.

Order the cups in your house from largest capacity to smallest capacity.
