

Our Week In Year One

Friday 11th February 2022

NEWHALL

What have we been learning?

- This week in English we loved writing diaries! The children were so expressive in their memories of the book.
- In Maths we have been learning how to measure length and height.
- We wrapped up our geography topic about the UK with a craft afternoon, the children really enjoyed making Daffodils, Big Ben, The Loch Ness Monster and Shamrocks.
- We finished off our clay tiles this week and look forward to presenting them at the Art Show.

Homework:

- Maths seed
- Daily reading practise
- Phonics
- Homework grid (optional)

Just a few reminders...

- Library day for year 1 is on a Monday.
- PE is Tuesdays and Thursdays
- Polite reminder– Please can we ask children not to bring any toys into school, including key chains that attach to their book bag. These distract from learning and are causing children unnecessary upset if they fall off or become broken when stored in their tray.

Have a wonderful half term break!

Thank you—Miss Cano and Mrs Mouncey-Jaggers
