

NEWHALL

What we have been learning this week...

This week is eco week so we have adapted some of our lessons to incorporate the topic "plastic in the ocean".

- Topic – In Topic this week we had lots of fun learning about the dangers of plastic in the ocean and created posters to make people aware of ways to help the environment.
- Art - This week in art we made sea creatures out of plastic bottles. We reused plastic bottles and created them into beautiful sea life. We now know the benefits of recycling and reusing plastic.
- English– This week in English we used our great writing skills to rewrite the story of "After the fall" in our own words with a beginning, middle and end.
- Maths– It's all about number bonds this week. We have been learning about our number bonds to 10 using different resources such as numicon and counters.
- RE—This week we learnt about the story of Rama and Sita and why it is important to Hindus.

Home Learning

- Daily Reading– please try to read once a day at home.
- Phonics homework—Teams is now up and running Phonics homework will be uploaded weekly with all the sounds for the week. Please complete any tasks that need to be written in your small blue homework books.
- Weekly mathseed lesson

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 are Monday and Tuesday

Dates to remember:

- Thursday 21st October—Animals workshop in school
- Monday 1st November—Polar express launch slippers to school (more detail in next weeks newsletter)

Have a wonderful weekend.

Thank you—Miss Cano and Mrs Mouncey-Jaggers
