PRIMARY ACADEMY

Our Week In Year One

Friday 18th March 2022

N E W H A L L

What we have been learning this week...

- In English we have been consolidating our time connectives, the children used some great words to describe the time.
- In maths year 1 have enjoyed exploring capacity and volume.
- Science Day was a big hit! We had a focus on growth and LOVED identifying the teacher from the baby photo.
- In DT we made fruit kebabs, the children were amazing at creating a design and evaluating their product.

Home Learning

- Daily Reading— please try to read once a day at home.
- Phonics homework—Please complete any tasks that need to be written in your small blue homework books.
- Weekly maths seed lesson
- Termly homework grid.

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 is on Tuesday and Thursday.

Have a wonderful weekend.

Thank you—Miss Cano and Mrs Mouncey-Jaggers

Nurturing Nurses

Complete the tasks from the grid at home over this half term. Please send in photos to share with the class. Have fun!

Make a list of the differences between modern day nursing and nursing in the past. Is there anything that hasn't changed?

Can you draw a picture of a nurse's uniform? Can you label your drawing?

Go on a plant hunt! How many different types can you find?

Create a healthy plate. What food will you include?

Imagine you are nursing a sick patient. Write a diary entry about your experience.

Order the cups in your house from largest capacity to smallest capacity.
