

Our Week In Year One

Friday 21th January 2022

What we have been learning this week...

- In English we learnt about fact files and how to create our own fact file on the sweet pea flowers we planted last week.
- In maths we have been focusing on how to subtract whilst crossing 10. The children loved doing some outdoor learning using the number track in the playground.
- Geography has been all about Scotland. They have enjoyed learning about landmarks which make Scotland famous.
- We had a great time using the ipads in computing,

Home Learning

- Daily Reading— please try to read once a day at home.
- Phonics homework—Please complete any tasks that need to be written in your small blue homework books.
- Weekly maths seed lesson
- Termly homework grid— find attached and on teams

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 have changed to Tuesday and Friday.

Have a wonderful weekend.

Thank you—Miss Cano and Mrs Mouncey-Jaggers

Home Sweet Home

Go for a walk in your local area and note all the things you see.

Trees?
Houses?
Public buildings?
Green areas?

Find a map of the UK and see if you can label or name all the countries.

Try some food from a different country in the UK and rate it out of 10.

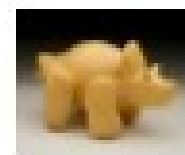

Draw a map of your bedroom. Make sure to label it and include the door and window.

Research a landmark from England. Write a diary entry imagining you have visited it.

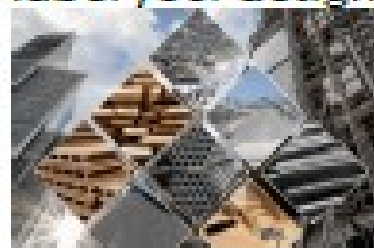

Can you discover an artist that uses clay? What are the names of some of their famous sculptures?

Go on a materials hunt around your house. How many different materials can you find? Can you describe their properties?

Hard Soft
Smooth
Rough
Bumpy Sharp
Cool

Imagine you are building a house. What materials would you use and why? Can you draw and label your design?

Go on a sculpture walk in your local area. How many can you find? What are the names of them? What are they made of?
