

## NEWHALL

### What we have been learning this week...

- English– This week we have started a new text “After The Fall” all about the story of Humpty Dumpty after he fell off the wall. We are building suspense by only reading a small amount every week.
- Maths– we are enjoying learning some new symbols in maths this week with the addition of greater than and less than into our vocabulary.
- Art– we are developing our skills by focusing on shading and mark making.
- History– we got to know our monarch this week and loved learning all about her life.
- Science- “Parts of Animals” the children learned how to look after their bodies and what each part might be used for.

### Home Learning

- Daily Reading– please try to read once a day at home.
- Phonics homework—We expect to have teams homework up and running soon but we are still waiting on IT. In the meantime please use your homework books to complete the short tasks on the bottom of the homework sheet and any of the homework grid that requires writing.
- Weekly mathseed lesson

### Just a few reminders...

- Library day for year 1 is Friday.
- PE days for year 1 are Monday and Tuesday

If possible could children please bring in a labelled water bottle. **Have a wonderful weekend.**

Thank you—Miss Cano and Mrs Mouncey-Jaggers
