

NEWHALL

What we have been learning this week...

- The children have been working really hard at their end of term assessments this week. It has been really nice to see what they have learnt over the last term.
- In science this week we had lots of fun making a class herbarium. We got to go outside and look for flowers which we then wrote about.
- In history we had a lovely visit from a nurse who told us lots about her job and what she does on a daily basis to help people.
- DT this week was great as we got the chance to make our own smoothies and then drink them!

Home Learning

- Daily Reading— please try to read once a day at home.
- Phonics homework—Please complete any tasks that need to be written in your small blue homework books.
- Weekly maths seed lesson
- Termly homework grid.

Just a few reminders...

- Library day for year 1 is Monday.
- PE days for year 1 is on Tuesday and Thursday.

Have a wonderful weekend.

Thank you—Miss Cano and Mrs Mouncey-Jaggers

Nurturing Nurses

Complete the tasks from the grid at home over this half term. Please send in photos to share with the class. Have fun!

Make a list of the differences between modern day nursing and nursing in the past. Is there anything that hasn't changed?

Can you draw a picture of a nurse's uniform? Can you label your drawing?

Go on a plant hunt! How many different types can you find?

Create a healthy plate. What food will you include?

Imagine you are nursing a sick patient. Write a diary entry about your experience.

Order the cups in your house from largest capacity to smallest capacity.
