

Our Week In Year Two

Friday 4th February 2022

N E W H A L L

Thank you again to everyone who donated towards the cake sale. We raised just over £300.

The children also enjoyed taking part in a Chinese New Year dance workshop to celebrate Chinese new year and are still really enjoying History and learning about Neil Armstrong.

Maths- This week in Maths we have been using our tally knowledge to use to understand pictograms, drawing their own pictograms and interpreting them

English- In English this week we have been revisiting co-ordinating and subordinating conjunctions and applying to our writing. We have also looked at writing our own non-chronological reports.

Reminders:

-Our library visits are usually on Fridays but next week due to a Movie and Munch afternoon, we will be exchanging library books on Thursday **and** Friday, so please ensure that your children have all their reading books in school on Thursday and Friday so that they can be changed.

-PE lessons will take place on Monday and Thursday afternoons. We will continue to have 1 PE lesson outside each week so please ensure the children have a appropriate clothing in their kits including joggers or leggings and a hoodie.

Homework:

-Maths homework has been set on Mathseed and is due Wednesday, this weeks lesson is 142.

- Spellings will continue to be set on Teams depending on your child's phonics or SPaG group. Spelling tests will continue to take place on a Friday in the back of the children's homework book.

- Phonics and SPaG homework will be upload to Teams and completed depending on the requirement from the child's group.

Thank you for your continued support,

Mrs King and Miss Sperrin .
