Our Week In Year Two

Friday 10th December 2021

N E W H A L L

This week we have enjoyed welcoming all the parents into school to watch our Christmas concert. We hope you enjoyed watching it as much as we enjoyed performing to you. This week we have also enjoyed learning about the story behind Christmas and comparing how we celebrate Christmas in the UK to other European countries. We are looking forward to beginning the festivities with the children next week.

Maths- This week in Maths we have started to look at multiplication and division. The children have been learning how to make equal groups and rather than using long addition number sentences that we can use multiplication. We also have looked at how we can use our fact families to help work out multiplication and division number sentences.

English- In English this week we have finally been able to read the end of our story for this half term. The children really enjoyed finding out what happened and seeing if the predictions they made were correct. We then took on the role of the character and wrote a letter home thinking about other characters feelings and making sure we could write in 1st person and use past tense.

Reminders:

- PE lessons will take place on Monday and Thursday afternoons.
- On Monday we have a visitor coming into school to introduce our new topic for next half term looking at explorers, you do not need to bring anything for this.
- Tuesday is Christmas jumper day and Christmas dinner.
- Thursday is Christmas Panto day .
- On Thursday we will also be hosting a class Christmas party, we would kindly ask for a donation of £1 per child to be brought in by Tuesday to contribute towards snacks.
- On Friday school finishes at 1:30 please ensure you are aware of the early collection time.

Homework:

- There will be no spellings to learn for the last week of term. The phonics/ SPaG homework set this week will also be for next week as we have reduced phonics lessons due to visitors, performances and trips. This week Masthsead homework is lesson 113. As we have collected the books to ensure none have been misplaced over the last term you can read any books you have at home or the children can listen to you reading to them and no quizzes need to be completed.

Thank you for your continued support,

Miss Sperrin and Mrs King.
