Our Week In Year Two

Friday 11th February 2022

N E W H A L L

This Tuesday was national e-safety day, therefore this week in school we have been learning all about staying safe online. The children have enjoyed completing a range of activities involving, emailing each other and identifying kind and unkind communication online, creating their own emojis and making posters to share what they have learnt. We also have a great afternoon planned today as the children celebrated the dojos they have worked hard for this half term with a 'Movie and Munch'.

Maths- This week in Maths we have been consolidating our learning on pictograms and tally charts. We also incorporated our skills counting in 2,5 and 10s when counting tally's and working out different keys.

English- This week in English we finished our story 'Winters Child' the children then put all the skills they had learnt this half term to the test and have written a sequel 'Spring Child'.

Reminders:

-We will send the children home with their PE kits this week. Please could you check that all items are labelled and ensure that the PE kit is back in school the first Monday back for our weekly indoor PE session.

Homework:

-The half term homework for Spring 2 will be uploaded onto the General file tabs on Teams. Please complete the work throughout the course of the next 7 weeks. The children are welcome to bring the work they produce into school or send photos if the craft activities are too difficult to transport.

-Maths homework will be on Mathseed and the lesson number this week is **(Lesson 122)**

- The children will be reassessed and phonics homework will begin again after the half term. In the meantime please continue to practice year 2 common exception words, also found on the general Teams tab.

Thank you for your continued support,

Miss Sperrin and Mrs King.
