

## NEWHALL

This week the children enjoyed learning about inspirational women for International Women's Day! The children also learned about medicines that you can take to feel better and that they should always be given by an adult! We really enjoyed looking at the baby photos and the other children also enjoyed seeing their friends as babies. The children related this to their work in their Science.

**Maths-** This week in Maths we have finished off the last of our 2D and 3D shapes work. The children counted edges on 3D shapes, sorting 3D shapes and making patterns with 3D shapes.

**English-** This week in English the children have been planning their own fairy tale and then writing the beginning, middle and end. Some wonderful stories were written using all the steps to success.

### Reminders:

- clubs after school on Monday (4pm pick up)
- please can you ask children to bring in their wellies on Monday for the Telly Tubby Hill visit.
- PE Monday and Thursday
- Library and spelling test Friday
- Red Nose Day Friday 18th March non-uniform day

### Homework:

- Maths homework will be on Mathseed and the lesson number this week is **(Lesson 102)**
- Phonics/ SPaG homework and spellings set on Teams.
- Please try and read with your child each night and complete the quiz on Accelerated Reader

**Thank you for your continued support,**

**Mrs King and Miss Sperrin**
