

Our Week In Year Two

Friday 22nd April 2022

NEWHALL

Welcome,

We have started a new topic this term and the children have been enjoying learning about The Great Fire of London this week. It was such a joy to hear about their visits to museums and see the books that they brought in to share with the class. PSHE has started to focus around relationships and understanding that family structures can be different. For science we have started a new topic on plants and the children discovered what seeds were and how they grow. In computing we have also started a new topic on Questioning and the children this week have looked at creating pictograms on the Purple Mash programme.

Maths- We have started looking at Measurement and the children were comparing lengths and heights and measuring length this week.

English- We have started a new book this term called Fox which the children have thoroughly enjoyed as it is a little sinister and does not have a particularly happy ending.

Reminders:

- We will be making houses in History to burn which will replicate Pudding Lane. Please can you send in a cardboard box for Monday and Tuesday so that your child is able to make one. Please also feel free to send in any other materials such as straw for a roof.
- You should have received your Reading Records by now for you to use and log when you have read with your child.
- PE continues to be on a Monday and Thursday
- Spellings are not going to be set this half term but will recommence in Summer 2.
- May is the month set nationally for the SATs test to occur and your child will be undertaking this test in the next 4 weeks.
- There will be homework set for reading and phonics from next week.

Homework:

- Maths homework will be on Mathseed and the lesson number this week is **(Lesson 104)**
- Phonics/ SPaG homework and spellings set on Teams from next week.

Thank you for your continued support.

Mrs King and Miss Sperrin
