Our Week In Year Two

Friday 25th February 2022

N E W H A L L

Welcome,

We have had another busy start to the term. The children have started a new Science topic—Living things where they learned about things that are living, dead or never been alive! In RE we have started looking at Easter and new beginnings. With Computing we are continuing with our Coding which the children are really enjoying. We had a break from this to focus on Online Safety week. In DT we have started a new topic called The Wonderful World of Wool where the children will learn all about wool and where it comes from.

Maths- This week in Maths we have started to look at 2D and 3D shapes and learning how to count the shapes and vertices.

English- This week we have started a new book called The Lost Happy Endings and the children have been looking at the features of a fairy tale, the language, good and bad characters and how to describe their own.

Reminders:

-Library visits are still on Fridays, so please can children make sure that they bring their library books in on Friday so that they can be changed.

-PE lessons will take place on Monday and Thursday afternoons. We will continue to have 1 PE lesson outside each week so please ensure the children have appropriate clothing in their kits including joggers or leggings and a hoodie and that they are named.

-On Next week Thursday will be World Book day The children will be able to dress up as their favourite character from a book.

Homework:

-Please ensure children read each night, where possible with parents, and complete the Accelerated Reader quizzes on the specific story.

-Maths homework on Mathseed has been updated this weeks lesson is 119 on 2D shapes.

-The weekly Spellings are on Teams depending on your child's phonics or SPaG group. Next weeks Spelling test will take place on a Thursday in the back of the children's homework book., due to the inset day.

Thank you for your continued support,

Mrs King and Miss Sperrin
