

# Our Week In Year Two

Friday 17th December 2021

**N E W H A L L**

This week we have had a busy week considering it is the end of term. Our week started with a session in a Wonderdome where the children sat in an inflatable dome and learned about the solar system in an exciting interactive manner. This starts the beginning of our new topic which we start in Spring on Extraordinary Explorers!

On Tuesday we also enjoyed our Christmas jumper and lunch day followed by an afternoon of Christmas arts and crafts. Many of you would have received Christmas cards and paper plate Christmas decorations.

The children went to see Robin Hood at the Harlow Playhouse which we all thoroughly enjoyed... "Oh yes we did!" followed by our class party.

**Maths-** We are still continuing with multiplication and division and still focusing on sharing out equally.

**English-** In English this week we drafted then wrote letters to residents of a local nursing home who may find themselves alone this Christmas.

## **Reminders:**

PE lessons will take place on Monday and Thursday afternoons.

## **Homework:**

Over the weekend we will upload the holiday homework on Extraordinary Explorers.

No Mathseed homework has been set but please feel free to log onto Topmarks and play hit the button concentrating on timestables, halving and doubling.

Please continue to read any books you have at home or the children can listen to you reading to them and no quizzes need to be completed.

Finally we would like to thank you for all your presents, cards and best wishes for Christmas. It was very kind of you and very much appreciated.

**Thank you for your continued support and we wish all a very merry Christmas. Please stay safe and be aware of the COVID regulations as things are changing all the time.**

**Mrs King and Miss Sperrin**
