

12th August 2022

Dear Parents and Carers,

Term dates

Please be aware there is no nursery on 1st and 2nd September due to annual staff training.

Nursery resumes on 5th September 2022 for all children.

Extra sessions

We have a few one-off extra sessions available for children attending the nursery. These sessions are fully payable, and funding cannot be used for these sessions. They are on a first come first serve basis and are limited.

Learning at home

TLC is an Essex campaign that looks to help parents, carers and families of young children support their children's communication development and learn how to help their children gain the best start in life through playful learning at home.

This site will regularly post a range of ideas, top tips and games to support children's language, physical and emotional development. Its aim is to ensure children start school ready to explore, learn and make friends.

[Home - TLC \(tlc-essex.info\)](http://tlc-essex.info)

Please do continue throughout the summer to use our library and enrich activities in the front entrance if you wish to.

Throughout the summer, please email us a picture of you reading somewhere exciting or different. This can then be displayed in our front entrance.

Garden Areas

As the warmer weather is upon us, we are improving the environments outside. If you have anything that you feel could help us do this, we would be very grateful i.e., large stones, soil, plants, old guttering, pots/pans, large brushes, garden toys etc....

Staffing update

It is with great sadness that Irene has decided to leave Newhall Nursery. Irene has decided to further her career working in a school that specialises and works with children with additional needs. I hope you join me in wishing Irene the very best. Irene's last day will be Thursday 25th August 2022.

Blossom

Over the past two weeks Blossom children have been exploring rainbows and weather. We have enjoyed creating our own rainbows using the paint dabbers and have been singing weather songs!

We have also had fun threading pasta onto pipe cleaners to practice our counting!

Snowdrop and Bluebell

We have been very busy the last few weeks! Last week we focused on famous buildings around the world. The children loved looking at an atlas and locating these famous buildings on the map! The children have also had a go at making their own playdough, they absolutely loved getting super messy with the flour. This week we have had lots of water play out as it has been super-hot. Our focus this week was transport, the children loved to pretend to work at the car wash in the water tray and clean all our toy cars. How amazing!

Emma Pike

Nursery Manager
